

Ab Fab Catering Allergy Disclaimer

“Whilst all care is taken when catering for special diet requirements, please be advised that within the premises we handle nuts, seafood, shellfish, sesame seeds, wheat flour, eggs, fungi and dairy products; along with all food ingredients found in a typical food preparation environment. We also use suppliers who may also process such items within their premises.”

We are a Brisbane City Council/Department of Health 5 Star rated kitchen, and while we can certainly cater to dietary needs, the decision to consume the meal is ultimately the responsibility of the diner. Individuals with severe health threatening allergies or food intolerances might be best suited to provide their own food items.”
